Re: MCCSS COVID 19 Enhanced Precautions

---

Hello everyone,

Further to my memo of October 7<sup>th</sup> 2020, the Ministry of Children, Community and Social Services has issued enhanced precautions for developmental service agencies in York Region due to the increased numbers of new daily positive COVID 19 cases in our area.

Please note that we are currently operating under these “Enhanced Precautions”. CLYS will be following the directive of MCCSS to implement these enhanced protocols effective October 9<sup>th</sup> 2020. We will continue to follow the advice of public health and directives of MCCSS and will update you as soon as more or new information is available. Please reach out to your residential supervisors or program managers to discuss these enhanced precautions.

The health, safety and well-being of the people we support, their families, our staff team and their families, is our priority.

We all stand together in these are challenging times.

Thank you, take care and stay well.
