Re: Ontario Province Wide Shut down

---

Please see attached link for information on the province wide shutdown announced by Premier Ford, effective December 26<sup>th</sup> at 12:01 am.

[Ontario Announces Provincewide Shutdown to Stop Spread of COVID-19 and Save Lives](#)

Please review the announcement to be aware of and adhere to the restrictions in place.

Community Living York South will follow the shutdown requirements in our supports and services. Visits to and from our group homes will not be permitted except for essential necessities. For people we support who live on their own, we will ensure they are provided this important shutdown information and support them to plan accordingly.

Our offices also remain closed for non-essential visitors. Our goal, as always, is to support everyone to be informed and supported so that we can all take the necessary measures to stay well and prevent the spread of COVID 19.

If you have questions or need clarification, please contact your residential supervisor or program manager.

Thank you for your support.
